

Philips PowerPro Compact
Bagless vacuum cleaner
with PowerCyclone 4
Technology

1800W

Animal+

FC8474/01

20% higher suction power* for a better clean

With PowerCyclone 4 Technology

The new Philips PowerPro Compact delivers powerful performance without compromises thanks to the PowerCyclone 4 technology and advanced bucket design

Powerful cleaning performance

- PowerCyclone 4 technology separates dust and air in one go
- 1800 Watt motor for high performance

Clean air in your home

- The HEPA filter catches microscopic vermin causing allergy

Easy to clean

- Advanced dust container design for easy to emptying

Ergonomic grip for far reach

- Reach all corners thanks to the extra long ergonomic grip

Outstanding results on carpets and furniture

- Turbo Brush nozzle removes 25% more hairs and dust

PHILIPS
sense and simplicity

Highlights

PowerCyclone 4 Technology

The PowerCyclone 4 technology delivers best cleaning results in one go through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

1800 Watt Motor

The 1800 Watt motor generates max 350 Watt suction power for high performance.

HEPA filter system

The pleated HEPA filter has a large filter surface and good filtration performance. In combination with the cyclonic airflow, this prevents it from clogging fast and gives you better and longer-lasting filtration results.

Easy to empty dust container

The dust container is perfectly designed to dispose of dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Turbo Brush nozzle

The Turbo Brush nozzle allows deep cleaning of carpets and quick hair and fluff removal from carpets. The rotating brush actively removes small dust particles and hairs, resulting in a 25% better cleaning performance on carpets. The wheels of the nozzle prevent damage in case of use on hard-floors.

Specifications

Design

- Color: Full red

Performance

- Input power (max): 1800 W
- Input power (IEC): 1400, 1600 W
- Suction power (max): 350 W
- Vacuum (max): 25 kPa
- Airflow (max): 35 l/s
- Noise level (Lc IEC): 84 dB

Filtration

- Dust capacity: 1.5 l
- Exhaust filter: Micro filter
- Motor filter: Washable double foam filter

Usability

- Action radius: 9 m
- Cord length: 6 m
- Tube type: Metal 2-piece telescopic tube
- Carrying handle: Front
- Tube coupling: Conical
- Wheel type: Plastic

Nozzles and accessories

- Standard nozzle: Multi nozzle
- Additional nozzle: Full turbo brush
- Accessories: Crevice tool, Small nozzle
- Accessory storage: On tubeclip

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Weight of product: 4.5 kg
- Dimensions of product (LxWxH): 406x285x238 mm

Issue date 2013-02-21
